

Dear Friends,

It's time to **Celebrate!** South County Performing Arts ("SCPA") will be hosting a fundraising event on Friday, April 12, 2019, at the Norman P. Murray Community Center.

**Celebrate!** A Celebration of the Performing Arts will benefit Community Performing Arts ("CPA") Orange County's preeminent non-profit theatre company. SCPA and CPA have partnered together in furtherance of their missions not only to entertain, but also to develop young thespians with creativity, self-confidence, discipline and skills that will help them to treasure life. This event promises to be a memorable experience, with attendees who will participate in a variety of activities such as dinner, silent and live auctions, and a special performance by current students.

There are many ways you can help make this event a success. Listed below are a variety of opportunities for you to consider. We rely on generous donations from SCPA & CPA families, alumni, as well as businesses and friends in the community.

**Become an Underwriter:** Help us offset the costs of the event by becoming an underwriter. There are opportunities that include tickets, and others that include name/logo recognition.

**Auction Items:** We are asking for a donation of merchandise, gift cards/certificates, tickets, use of vacation homes, or professional services to be featured in our auctions.

**Sponsorship Advertisement:** Purchase an ad in our Evening Printed Program.

**Event Attendance:** Tickets will go on sale in March on our website. We encourage all current and past families, grandparents, and friends in the community to attend.

Please return the enclosed **Donor Form** with your payment or auction item. All contributors will be acknowledged in our Evening Printed Program and on the **Celebrate!** web pages at [www.southcountyperformingarts.com](http://www.southcountyperformingarts.com).

Any support that you feel you can provide would be deeply appreciated and we thank you in advance for your generosity. Your tax-deductible donation becomes an investment that pays the most lasting and satisfying dividends. For your records, our Federal I.D. Number is 83-2000495.
